MELROSE HIGH SCHOOL

Will you follow in my footsteps
in the sand by the sea
Will you follow in my footsteps
Will you come and follow me
If you follow you will learn
of things
that had once been taught to me
When I followed someones footprints
footprints by the sea

I would like to extend my personal thanks and appreciation to the many individuals who have contributed to the publication of this yearbook. Mr. Hurley and Mrs. Fisher were extremely generous and helpful as were Mrs. Hooton and Mrs. Moulaison. The editors and their staffs all did a tremendous job, and the class of '84 is indebted to them. I would be remiss if I did not mention several individuals who contributed over and above the expected and required. Kris McArdle, Lea Fasano, Carla Mayo, Ed Crowther, Kurt Dygert, Lisa McLaughlin and Cheryl Frederick all were exceptionally dedicated to this task and gave hundreds of hours of their time to bring you this book. On behalf of all of us, I thank them. This year's editorial Staff was an enormously talented and, as these photographs show, joyful group, it was a pleasure to work with them. Kristin's leadership and administrative ability made my task an easy one. Thank You!

Student Congress

Every large group needs a structured system of leadership. The student government at M.H.S. provides the opportunity to learn what government is all about. Each class elects a president, vice president, treasurer, secretary, two representatives, and fifteen student congress members. Student government members participate in a variety of functions at M.H.S. These include the Christmas party, the Halloween party, Junior and Senior Proms, the Winter Ball, Bloodmobiles, and supervision of the smoking area. Student government members are also involved in state and local activities. Many participants of the M.H.S. Student Government Program leave with a new understanding of the government and how it works.

First Row: S. Desmond, M. Carney, H. Vinchesi, C. Mayo, L. Murphy, J. Lynch, K. Flanagan, M. Degnan, S. Pallotta, M. Wells. Second Row: J. Perry, K. Zaino, M. Finnegan, C. Tomer, A. Soccorso, M. Phillips, P. Kelliher, J. McNulty, L. Lynch, A. DePetris, J. Driscoll, C. Satterfield. Third Row: J. Vega, D. Arnott, A. Strout, S. Smith, B. Donovan, K. Dygert, B. Prior, S. Pearson, E. Crowther, S. Deehan, T. Buggy, R. Morris, P. Henry, S. Reilly, T. Hurley.

Senior Class Officers

The senior class officers, and Student Congress members have done much of the planning for our events this year. Together with advisors Mrs. Luongo and Mr. Poulos they have arranged for and held the Halloween party and the Winter Ball, and have conducted a fund raiser for the senior class. The senior class officers also have the responsibility of setting up Carnation Day, the Senior Prom and Class Day.

Left to Right: T. Buggy (vice president), E. Crowther (treasurer), R. Morris (president), K. Flanagan (secretary), K. Dygert (representative), P. Henry (representative).

The Junior Class Officers are working hard to plan activities that are innovative. They organized a "Class T-Shirt" campaign, participated actively in all-school activities and charities, and got a new site for the Junior Prom. This dedicated group meets regularly to discuss issues which are in the best interest of their class.

First Row: A. Soccorso (president), M. Wells (vice president), M. Phillips (representative). Second Row: Ms. McCauley (advisor), C. Tomer (representative), B. Donovan (treasurer), S. Smith (secretary), Ms. Carrabis (advisor).

The sophomore class officers and student congress members worked diligently on their first task of the year — that of collecting class dues. The laborious assignment of asking their fellow classmates daily in homeroom to donate their fair share for the benefit of the entire class treasury was no easy job. After nearly a month of hard work, a sizable amount of money was collected enabling the class to put an early deposit on a function room for their junior prom.

First Row: R. Glennon (secretary), T. Hurley (president), M. Aylward (vice president), D. Arnott (treasurer). Second Row: Mr. DeGeorge (advisor), P. Hogarty (representative), J. Faretri (representative), K. Logue (representative), Mrs. Moulaison (advisor).

French Club

This year's French Club had another wonderful year! Our Christmas party with the Italian Club was a huge success — everyone ate too much, as usual. Thanks to Patty for the pinata; it was great until Andy got to it! We look forward to challenging the Italian and Latin Clubs to a volleyball game and, of course, our trip to France planned for February vacation. We would like to extend our thanks to Mary Degnan for doing a great job as President of the French Club and to Mrs. Dooley, our advisor, for all that she has done for us. Thanks for everything Dools!

Trueman, J. Pittella.

Latin Club

One of the more active and selective clubs in the school is the Latin Club. Under the guidance of Mr. Reid, the older members pick new ones from the many applicants. Unfortunately, the club was unable to participate in last year's volleyball game, but does plan to participate this year and leave the court in the true Roman spirit of victory. The Club held its annual meeting in the Resource Center, coincidentally during the yearbook photo session.

First Row: K. McCusker, B. Smith, P. Fanikos, J. Driscoll, L. Fasano, L. Lynch. Second Row: L. Brown, S. Keating, K. Flanagan, H. Vinchesi, L. Shay, A. DePetris, Mr. Reid. Third Row: K. Zaino, J. Zibrowski, M. Casey, R. DiNitto, D. Dugan.

This year's Italian Club is great! Our members have proved to be very involved and enthusiastic about club activities. So far we have gone to Italian movies and restaurants and have participated in a Christmas Party with the French Club that we'll never forget.

The entire Italian Club wishes to thank advisor Maria-Stella Dominijanni for her time, concern and of course, her humor; because of her the Italian Club has had a n o t h e r memorable year.

This year's German club was, despite delays, quite successful. Led by president Greg Harris and vice-president Bill Sherman, the club undertook such projects as the writing of *Zum Spass*, a magazine of German games and puzzles for sixth graders. Another Club highlight organization was the program to send current German students to visit elementary schools to encourage young people to study the German language. Everyone involved had a lot of fun, and we hope that next year's club will be even more successful.

This year the British Travel Club went on a historic tour of Britain. Small in number, yet large in energy, the club visited many interesting places such as London, Cambridge, Salisbury, York, Dover, and Melrose! It can be agreed by all that the trip was definitely a success.

Consisting of almost all seniors, the Pep Club once again brought lots of spirit to Melrose High throughout the fall sport season. The Pep Club psyched up the football team for a big Thanksgiving win with elaborate house decorations of posters and Indians. We'll never forget making signs at "Murph's barn" and Magwee's house. We would especially like to give a big thanks to "Mr. N. U. Huskies," our advisor Mr. Hodgkins.

We would like to thank our advisor Mr. Frank for all his help and encouragement.

"The Forum" is an extension of the Melrose High School Debating Teams. From the first week of school in September to the last week in June, it meets every Thursday afternoon for 2-hour discussions on timely and important subjects. Organized in 1979, the Forum brings together about 15 teenagers and as many senior citizens — membership ages range from 13 to 92.

Mr. Freeman T. Frank, Social Studies Department Head Teacher, describes the Forum as "the most interesting and valuable program" with which he has been connected during his 29 years of teaching. Members learn a great deal by way of facts and ideas on subjects ranging from Melrose problems with Ell Pond to the U.S. Space Program. They have a chance to develop better research skills, and what they learn in discussion and public speaking techniques is invaluable. Most important — the Forum produces deep and lasting friendships, enormous understanding and affection among people who too often and for too long are separated in our society.

The mountaineering club is starting to climb again with renewed vigor after a year of non-activity. Several expeditions have occurred utilizing the but system of the Appalachian-Mountain Club in New Hampshire's White Mountains.

This winter a hike is scheduled and the spring will find us climbing high on the cliffs and crags of Franconia Notch. Plans are underway for a two week camping and hiking stay at Acadia National Park on the coast of Maine.

This year, the class of 1984 formed a Melrose High School chapter of the organization entitled S.A.D.D. (Students Against Driving Drunk), the first in the school's history. They join over 200 schools where students are taking the lead in promoting safe alternatives to drinking and driving among teenagers. Using surveys, movies, and peer-led discussions they led a campaign to increase awareness of the dangers of driving under the influence. This organization seeks to keep students in safe transportation, especially at prom time. Joined by representatives of the junior and sophomore classes, they had an active and rewarding year.

Honor Society

The National Honor Society is a group of selected junior and senior students who have attained high academic achievement and/or display well-rounded qualities in both the academic and personal aspects of high school. Fund raising projects and school activities are a few of the responsibilities of the members; as well as serving as assistants and escorts for evening school functions. An inaugural dinner is held every spring for initiation of new members.

Imprint

The Imprint has once again been published under the dedicated supervision of Ms. Dominijanni. A greatly increased staff has allowed the school newspaper to publish four issues this year. The paper covers school activities, as well as subjects of interest to the student body featuring entertainment and social issues. The first edition of the paper included articles on marijuana legalization, the Halloween party, and an interview with Coach MacPherson. The Imprint, helped by a dedicated staff, makes an important contribution to the school community. The paper provides an outlet for student writing, a forum for discussion, and information useful to the student of M.H.S.

This year the school store did a variety of business — from lollipops and Red Raider sweatshirts to prom tickets. By gaining firsthand experience, this year's staff learned much about the business world. We would like to thank Ms. Bouchie and Mr. Quinn for their energetic guidance.

Every year the students at Melrose High School raise money for student activities. These activities include clubs, the yearbook, auto shop, and Class Day. For the sake of fairness and control, all student activity resources are kept in our fund. A student financial board is formed every year by interested students. These students work with Mr. Croston, Dr. Driscoll, and Mr. Hassett in fairly distributing and monitoring their assets. Interest earned on the fund is used to promote new clubs and activities and to help deplete the cost of Class Day.

The Strategic Games Club is Melrose High School's answer to a "Think Tank." It is a club for students who enjoy a mental challenge and find the use of their minds to solve problems, a stimulating activity. The Chess Club has been reinstated this year thanks to the genuine interest shown by administrators, faculty, and students alike. As a member of the North Shore Interscholastic Chess League, the team competes against other high schools. A total of eight matches are played from December 7 through February 29. A small group of dedicated students, led by Captain David Dyson, meet on a weekly basis to enjoy the game of chess. They share with one another their experiences such as openings and various attacks. These meetings enable the team members to grow in both their expertise and appreciation of this refined game.

The Melrose High School Cross-Country team closed its season with a successful 6-3 record. Brian Cann and Captain Chris Axford led the team to victory in its first six dual meets. Seniors Ken Parece and Adam Fuller also contributed greatly to this season by providing consistent and strong performances. These same four team members were voted Middlesex League All-Stars. The seniors leave with memories such as: Billy goat ... "Hey Dude" ... the punks ... "She's not going with you, Mr. Mac." ... Football practice ... Wakefield and Breakheart ... Dr. B ... McDonald's. We'd like to thank Coach MacIntyre for all he's done for us and wish next year's team good luck.

The 1983 fall golf season was another great one led by coach Andrea Taffe. The team finished the season with a record of 8-1, our one loss being to a powerful Burlington club that eventually won the league with a record of 9-0.

We will never forget the great times joking around at practice, and with Mrs. Taffe getting angry.

We hope next year's team is even more successful than this years, and we hope our team plays well in the State Tournament in the spring of 1984.

▲ It was a great season. We were more together this year than last, thanks to the efforts of Captain Lauren Singleton.

The great memories will never be forgotten: Those great summer practices! ... Brunches ... What cheer should we do next?! ... Mary's wipeout! The march ... Going through Melrose (Horn happy!) ... Trying to cheer after a great Friday night ... Thanksgiving game! ... Hey guys, where's the football party tonight???

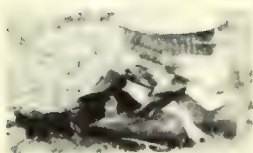

◀ It was a great season for all the soccer cheerleaders this year. We had a lot of spirit, fun, and became good friends with all the players. Wherever our futures bring us, we will always look back and remember our senior year cheering.

Great times on the bus — brunch at Joy B.'s — fun with the guys playing football — Ed C.'s party!!! Hey, what can we say — "you win some — you lose some!" ... Loyal fans — "Ready Begin 1, 2, 3, 4" — "I say B" BOO-BOO! Captains Ed C. and Jim P. Thanks for everything Karen!

"We're shooting for 5-5 this season ..." commented Coach Bruce W. MacPherson at the outset of the 1983 football season. Through the leadership of Captain Frank Morelli and 24 other seniors, and with the great coaching of MacPherson and assistant coaches Emerson Dickie, John Sullivan, and Scott Crowell, Melrose finished second in the Middlesex League at 7-2-1. Five players were named league all-stars: Kevin McNair, Chris McCormack, and Lamar Capart on offense, and Peter Kelly and Frank Morelli on defense. Morelli was also selected to the Boston Globe All-Scholastic Team.

We will never forget the Watertown game (won by a score of 12-7) and the wins over Burlington and Wakefield. Also ... "this is the most important game" ... Curlie's golf cart ... croakies ... the Wat rats ... cement shoes ... ooooo-weeee ... beep-beep ... "My way on the highway" ... white shirts under the red ... "I can translate" ... "all parts in working condition on Monday" ... "quick as a hiccup" ... Thanks Stevie! Good luck next year to the juniors and sophomores.

The Melrose Field Hockey Team has proudly continued the winning tradition with a final record of 10-3-5. Even though we got off to a slow start, with hard work and a winning spirit we managed to turn it around, missing the state tournament by only 2/10 of a point. It was a great season with a lot of times we'll never forget. Hard work . . . Sunday practices . . . Scoring to the who . . . Consecutive psyche signs to Foles . . . Conditioning with Col. Finna . . . Nosing down H20 Sue . . . The bomber . . . Mue fights . . . "Sorry Woburn shinguards" . . . All Stars Anna, Beth, Brenda, and Julie . . . Go for it!! Thanx Coach and Good Luck!

The Girl's Swim Team had, among other things, a "fun" season. We got off to a fast start and won three out of our first four meets. This was in large part due to the fact that we had a veteran team. Mid season we lost a few to some very talented teams and then towards the end of the season we came out on the short end of some very close matches. Our times really improved and that's what mattered.

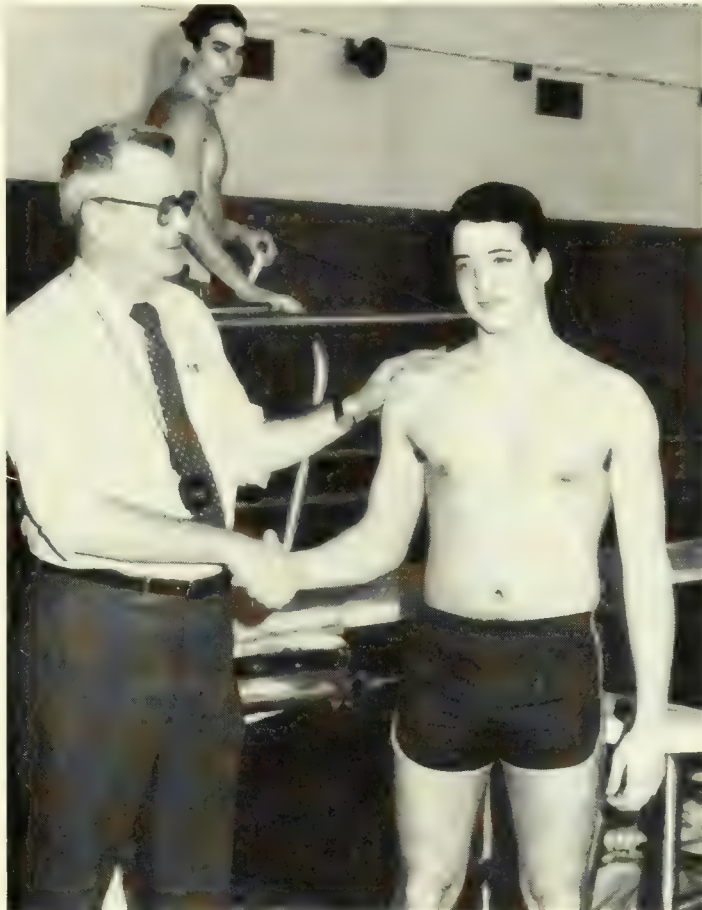

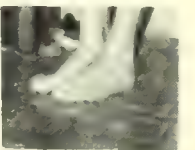

We'll never forget Captain Maguire, whose leadership was inspiring, and Coach Whit's unbelievable support. No breakdowns this year — tradition has to break some times. Good luck to the graduating seniors and good luck to the rest of the team in the years to come. There's a lot of strength in the Class of '88 — Melrose will be a team to watch!

The Melrose High School swim team with its 12-2 record had another memorable year. Led by seniors Adam Fuller, Jeff Mate, and junior Capt. Peter Maguire, the team surprised everyone by challenging for the Middlesex League title. Sophomore 500-man Frank Sampson (5:16) and breaststroker Gary Gouch (103.2) broke records, while Freshman Mike Garipay, Sophomores Matt Paine, Chris Pecci, and Junior Matt Champney helped Melrose to be one of the top teams in the state.

The Melrose High School winter track team, coached by Mr. Robert MacIntyre and Mr. Alain Rocher, ended its season with a 2-5-1 record. The team had many outstanding performers, including senior all-stars Robert Morris, Ken Parece, and Chris Axford and junior all-stars Brian Cann and John Mercer. The season, which was used by Coach MacIntyre as a building season for the spring, was Melrose's best in three years.

Under the fine coaching of Mr. Frank Smith and Mr. John L. Sullivan, the 1984 wrestling team had a very successful season. Led by co-captains Matt Adrian and Evan Deane, the Raiders finished their season as one of the top teams in the Middlesex League. Despite its many injuries and lack of food, the team clenched important victories over Burlington, Lexington, and Wakefield. This year's graduating seniors include Matt Adrian, Evan Deane, and Tom Donovan. Good luck to the future champs.

The Melrose High School gymnastics team had an excellent year. It surpassed its two previous seasons with a 5-3 record. This year's team is under the direction of new coach Sally Hoague. Through her dedication and our hard work we made this a winning season. We will always remember "Get to work girls," "Aidie Katie," "Hairspray," leotards finally, and "Conditioning." Good luck to the seniors, with special thanks to Captain Jennifer Perry.

The girl's varsity basketball team finished up the season with fond memories and many things to be proud of. Highlights included beating Wakefield, and the two great games we played against Burlington and Lexington. We would like to thank Coach Johnston and Coach McBride and wish them the best of luck in the future. Seniors on the team are Anna, Brenda, Jackie, Julie, and Tammy. Great memories of: Teamroom gossip ... percentage of what? how big? "SPECIAL D" ... Change for a dollar, "coach?" Getting psyched with balloons, boulders, T.P. and slam dunking of cans??? All stars, Brenda and Julie ... The color? "purple!" Bus rides ... Feeds ... p^2 ... Never forget #34C "nightmares" you want it! "THE BLUES" Cruising to N.R.! Eat much Mickey D's! "Girls just wanna have fun" ... It was a "wicked" good season! Good luck to next year's team. Go for it!

The 1984 boy's basketball team will always remember the thrilling overtime victory against a team with an unbelievable record. Jerry's slam dunk against Reading, Andy's seven stitches, Gorty's pre-game warm-ups, and the bus rides home will always highlight a memorable season. Led by tri-captains Lamar Capehart, Andy Conn, and Jim Puntoni and seniors Bob Gorton, Jerry Smith, Mark Thompson, and Chris McCormack, the team battled through hard times undaunted.

The 1983-1984 hockey season will be remembered at Melrose High School for a long time (not because the team had a great record of wins and losses); rather, because it was the first season in thirty-five years that Melrose has had a new coach. Henry Hughes gave up the head coaching job after a long and very successful career. Jim Umile and his assistant Larry Abbott took over the team and did, what we feel, was a great job in picking and molding the best team possible. The team graduated twelve seniors the year previous, so there were only five returning starters. Throughout the season the team showed a great deal of determination and desire to win.

TAKE A WALK ON

THE WILDSIDE

Not long ago at our Halloween bash everyone was dancing to the "Monster Mash."

There was of course that traditional parade so the judges could see all the costumes we'd made.

The Marx Brothers followed some Crayola 'round the room while the Seven Dwarves were chased by a Witch on her broom.

There were guys as girls, but Geraldine won the prize.

Because who could resist Jerry Smith's sexy thighs?

While a Box of Popcorn and Snap, Crackle and Pop held on to Campbell's Soup Cans and did the bunny hop, Elephants and Blind Mice (how about that) found themselves dancing to the "Alley Cat."

Finally the chaperones had had all they could take.

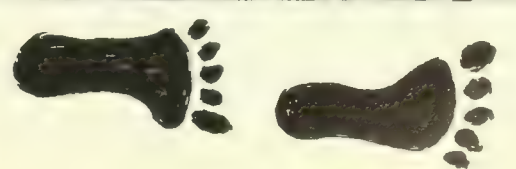

So they gave us a pinata we couldn't even break.

But nothing was as horrible, or so it has been said, as the Friday morning after when we looked like "The LIVING DEAD."

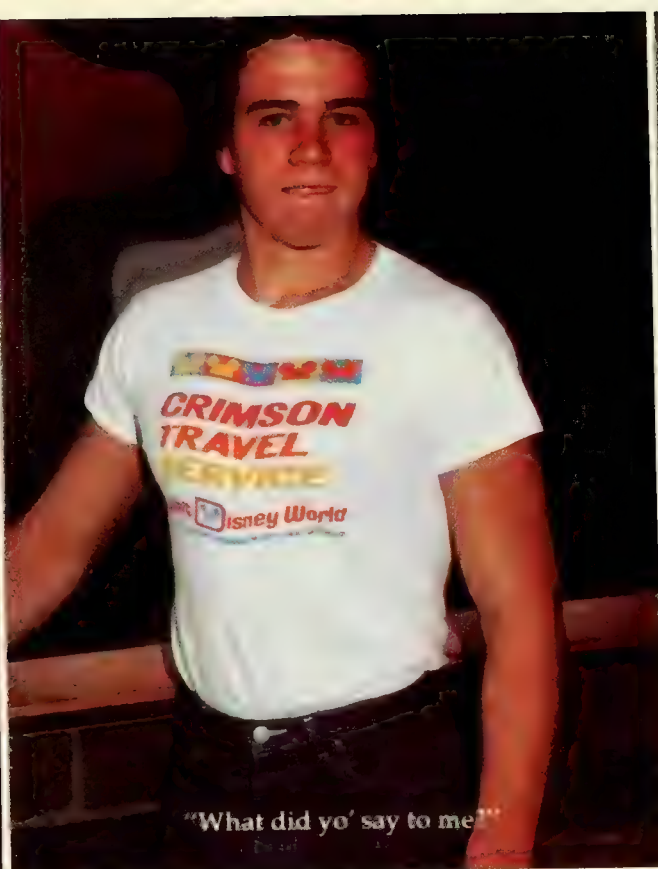

"Where's my Gucci?"

"What did yo' say to me?"

Best Buddies

"You want me to dissect a what?"

"Oh my break, it's Monday."

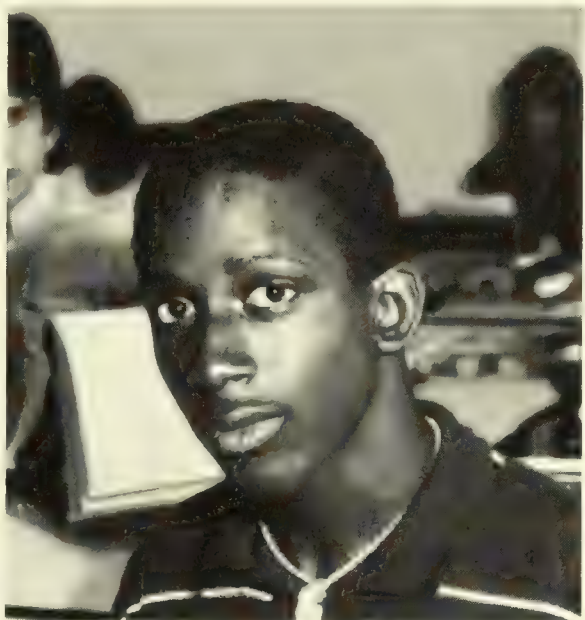

Never food

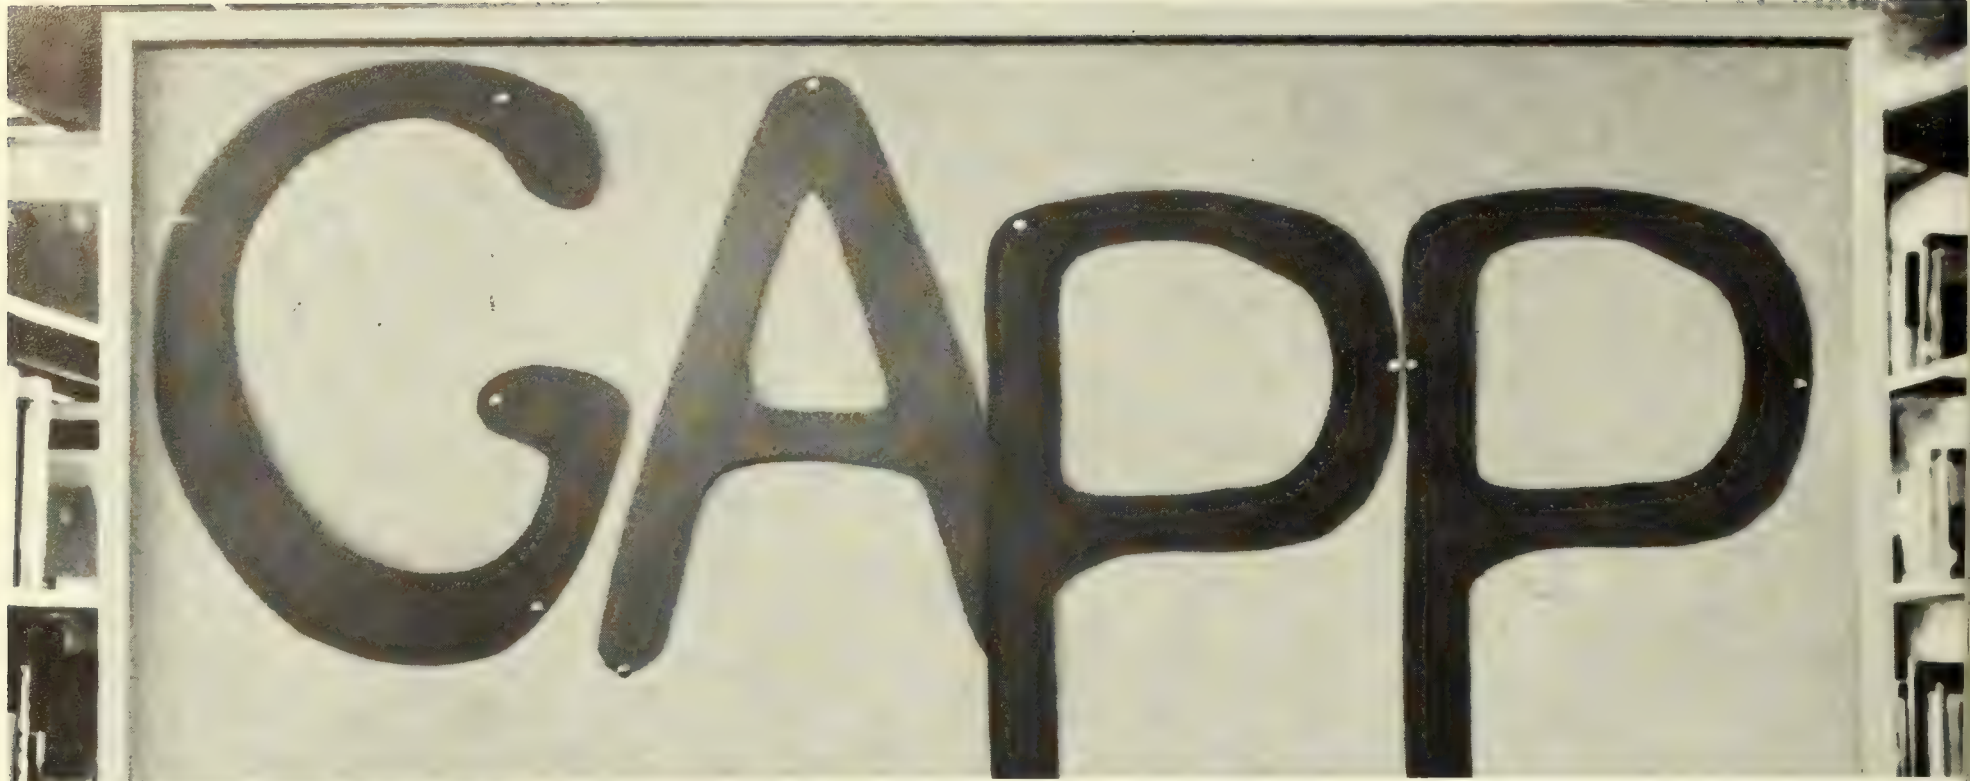

Where does this go?

Up, Sorry."

Every other year, MHS participates in the GAPP Program (German-American Partnership Program). Under this program, German students arrive in the fall to experience a month of American High School and the American life style. In the spring, participating American students travel to Germany to experience the German way of life. The program is a cultural and educational opportunity available to students taking German. This year's program was interesting and enjoyable for all the students involved.

Each year Melrose High School sponsors two bloodmobiles, one in the fall and one in the spring. Each of these drives generates 50 to 100 pints of blood. The volunteers who work at each bloodmobile come from the student congress and the general student body. The M.H.S. bloodmobiles are an important learning experience for volunteer workers and first time blood donors.

It has been a Melrose High School tradition to support some worthy cause at Christmas time. The school has organized campaigns for funding a relief project for Cambodia, fire disasters, and the Boston Globe Santa Fund in the past. Project Bread was chosen for the second year to provide food for the hungry in the Greater Boston area. Together students and faculty planned a week of activities including a movie festival and some bake sales. The project was successful and raised over \$800 this year.

Special Needs Christmas Party

Christmas Party

Every year the members of the Student Government sponsor a charity Christmas party. The party this year was held for the "special needs" students of Melrose. Entertainment was provided by the M.H.S. Chorus, the M.H.S. Brass Ensemble, and the Hockey and Basketball cheerleaders. A special visitor from the North Pole dropped by and gave a goodie-bag to each student. Local merchants in the Christmas spirit provided all the materials for the party. Student groups included food service, decoration, invitation, and clean-up committees. This party was enjoyed by the M.H.S. students as well as the special needs group. The sense of sharing was present throughout the entire party, and the true meaning of Christmas was felt by all. A special thanks to Mr. Hassett for all his efforts.

Winter Ball

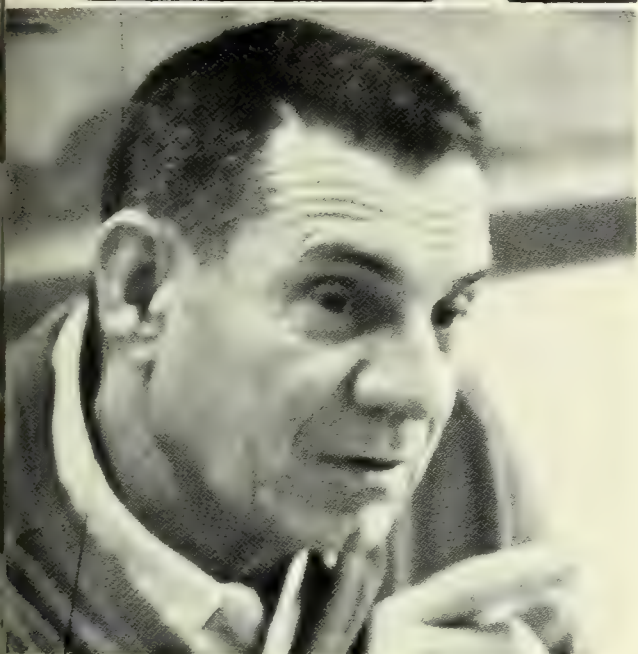

Due to a severe snowstorm, our Winter Ball was delayed until February sixteenth. On the sixteenth it rained, but this didn't dampen our spirits (with the exceptions of Bob Morris and Chris McCormack) and we all had a great time. We'll never forget Jerry's dedications from Lamar, the second playing of "Beat It," and Macca's "Stones" chant. Mr. Poulos and Mrs. Luongo did a great job to ensure that our "Winter Ball" would be a great success.

THANK YOU!

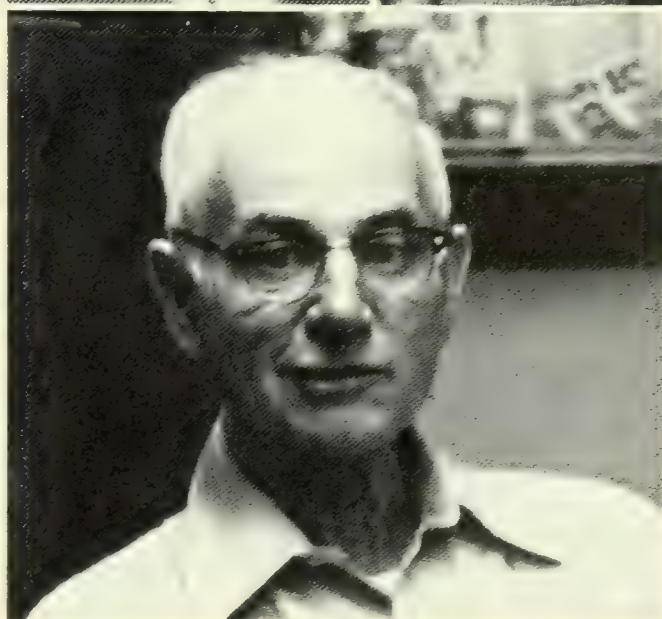

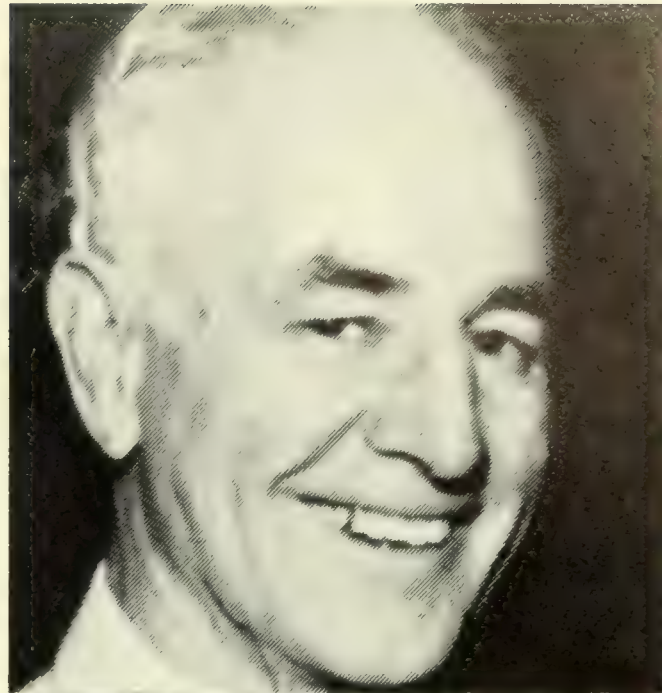

The class of 1984 dedicates this year-book to Mr. Anthony E. DeTeso and Mr. James E. Reid, two of our finest and most beloved faculty members. Mr. Reid and Mr. DeTeso are retiring at the end of this academic year. They represent 48 years of dedicated service to the students of Melrose High school. We can never repay them for all they have contributed to us and those who preceded us, but we would like to express our appreciation and gratitude for the influence they have had on our lives.

Mr. James E. Reid

Mr. Reid has served as an instructor of foreign language since 1961, and was Chairman of the Latin Department prior to its incorporation into the Foreign Languages Department. For many years Mr. Reid has been advisor to the Latin Club and has introduced many, many students to the study of the classics. His personal dignity and love of scholarship have been an inspiration to us.

Mr. Anthony DeTeso

Mr. DeTeso, perhaps better known as "The General", has taught United States History in the Social Studies Department since 1959. In addition to his teaching responsibilities, Mr. DeTeso has always been very much involved in Melrose High Athletics and serves as our Athletic Director. It is indicative of the kind of man he is that he would not accept the position of Athletic Director unless he was allowed to continue teaching as well. We would like him to know that his students feel the same way about him!

C o o p e r a t i v e E d u c a t i o n

Many Melrose High Students enhance the reputation of our school by making valuable contributions to our community by joining its work force. The students pictured here are applying the skills and abilities they have developed here at school to "real" world tasks. In exchange, they are not only earning wages but are also gaining invaluable experience.

Editors,

This is my chance to tell you how much you were all appreciated and how much you have meant to me over the last year.

To Linda and Andy, thanks for all your creative artwork. To Liz and Ed for your hard work and quick response when we needed ads in a hurry. Thanks for coming through. To Cheryl and Emma for hours of hard work and producing articles even without rough copy. A special thanks to Lisa for your incredible efficiency and relaxed competence. Kurt — you joined us mid-stream but jumped right in with enthusiasm and showed us some excellent and creative ideas. Ed — even back in the days with your cast you would hop up into our office and contribute so much to this book — Thank You! Carla and Lea — I was a little scared back in the spring when we were chosen for this but we've come a long way and I couldn't have done any of it without you both. We've had many laughs and even a few tears in the Log office. You will both be remembered and surely missed. Last, but never least, Mr. Hughes, your guidance and support was an inspiration and you taught me so much about myself; things I'll never forget. You have been a great advisor but better than that, you have been a friend to all of us; You will be remembered always.

With love,
Kristin

IN MEMORIAM
ANNA M. PREVITE

The Melrose High School community was shocked and saddened to learn of the untimely death of Mrs. Previte in February, 1984. Mrs. Previte served our school since and was always a true "Friend of the Class". Our sympathies go to her family and many friends.

I've been walking in your footsteps
For a dozen years or more,
But now I must depart from them, alone.
I do not mean this in
Disrespect for where they've been.
I only mean it's time to make my own.

Adam Frank
